WHO ARE WE?

Heart of Hope - A Sanctuary for Women

is a faith based maternity home. In a family setting staffed with house parents, young pregnant women ages 11-23 years old, are provided a safe refuge to focus on their emotional, physical, educational, and spiritual well-being. Through on-site professional counseling, life skill training and continued education in our classroom, young women are released into a purpose driven life. Opportunities are created for spiritual renewal in family devotions, personal Bible study, and corporate worship. Intentional living brings emotional healing and empowerment to make better choices resulting in a confident parenting decision; single-parenthood, marriage, or the gift of adoption. The life choices our young women make to better their family's future, creates a promise of hope for generations to come.

Would you prayerfully consider partnering with us by being a Shoot for Hope Sponsor?
