Heart of Hope is a Christ-centered home and school for at-risk pregnant teenagers ages 11 to 23 years old. Our mission is to provide a safe refuge where young women can focus on their emotional, physical, educational and spiritual needs. We offer life-skill classes, individual counseling, private healthcare and continuing education in our onsite classroom through the Louisiana Department of Education program, ED2020. We provide an educational facility and staff two certified teachers to help all residents achieve their individual educational goals. We are beating the national odds that tell us 67% of teen moms drop out of school and do not earn their high school diploma. Our educational program is one of the deciding factors for families when considering Heart of Hope as a home away from home for their daughters. In January 2020, we expanded our services to care for new moms and their children.

We have been involved with many charity golf events through the years, but the Heart of Hope Golf Classic is simply one of the best. They do a great job of creating value for the sponsors. We look forward to a long relationship with them.

As a faith-based organization, we do not receive funding from the state or federal government. **We raise almost half of our budget through our four annual fundraising events** and the rest through business, individual and church donations. We also look for private grant opportunities.

Please consider helping us impact generations by partnering with us in one of the best golf charity events our community has to offer! In addition to a great round of golf at oldest and most historic active golf course in the area. We will have an extravaganza of food, fun and great gifts!

Please call Debbie Dodd at (318) 925-4663. You may register for this event online at www.heartofhopeministry.org/events

Proceeds benefit Heart of Hope - A Sanctuary for Women

Heart of Hope is a 501c3 non - profit organization. It is a maternity home that provides a safe haven where a young mother can decide what will be best for her and her baby.

Heart of Hope serves young ladies between the ages of 11 and 23 years old.
