Underwriting Goal:	\$15,000

We have a wonderful evening planned for you! Heart of Hope Ministries has a conviction to be a well in this city. We desire to be a dwelling place where revival, renewal and restoration become a reality in the lives we serve and those who partner with this ministry. Join us February 15th as we celebrate Liz, a mom who lived at Heart of Hope in 2012-13. She and her husband, Kyle, now have three children. Liz has a very special story to share, a story of revival, renewal and restoration. Some very special events have happened in her family and recently she wants to share with us all how, "Heart of Hope isn't just changing the lives of young women, y'all are effecting generations."

At Heart of Hope, Psalm 30:5 is lived out more often than not, "Weeping can stay for the night, but joy comes in the morning". God is good all the time, and His mercies are new every morning. Truly, last night's tears become today's smile, and our moms' hearts are full of hope once again.

We hope you will make plans to be with the Heart of Hope family on Thursday, February 15, 2024.

Our seating is limited to 800 so make your plans to attend today.
