

Dare To Believe Virtual Host Letter

You Are A Very Important Part of Our Evening!

This year's fundraising banquet is being held at our Heart of Hope Campus on February 11, 2021 – seating begins at 6:00pm and the program starts at 6:30pm.

In our desire to honor the supporters of our ministry that may not be comfortable attending our banquet in-person, we will be streaming the event via our private Youtube Channel. We are encouraging you to host a dinner party in your home or church.

Between now and February 5th please invite those whom you believe would love to know about the life-saving and life-giving ministry of Heart of Hope.

When inviting guests, please consider the two reasons for this event:

- **To make known lives changed and saved through the prayer, service and financial support from people like you.**
- **To raise funds to support our mission over the next year.**

You can register and sign up as a Home or Church Host by simply going to our event page at <http://www.heartofhopeministry.org/events/13/annual-banquet> and click the **Register Now** button! When you register as a host, you will simply check you will be hosting a Virtual Event.

Our program does start promptly at 6:30pm. **Please remind your guests a few days prior to the event so they will be sure to attend.** We will be forwarding a link to our private YouTube Page for our live event. We would love for you to call our office to confirm your event as we will be mentioning you LIVE from our banquet room.

We are so thankful that you want to partner with us in this very important way! **Our annual banquet is our largest fundraising effort and you are an integral part of the success of this event!**

Be creative with your party, and to get you excited, we will be awarding prizes for the following categories:
