Heart of Hope - A Sanctuary for Women is a Christ-centered Maternity Home. In a family setting staffed with house parents, young pregnant women ages 11-23 are provided a safe refuge to focus on their emotional, physical, educational, and spiritual well-being. As a staff, we provide young ladies with a home in which to experience family living where they will participate in an assortment of classes to enhance their decision-making skills. In addition to academics, our residents also participate in other classes designated to prepare them for their future.

Aftercare/Residential Program – The heart of our ministry beats for the life of the unborn and their mothers from conception to birth and from postpartum to daily life. Our goal is to continue to minister to those who choose to live at Heart of Hope through our postpartum aftercare (up to 6 weeks after birth), and our residential independent living (ages 18-25). We seek to reflect Christ in each area of our ministry, to meet the ongoing needs of our residents and their children and commit to caring in each stage of life and healing that our residents walk through.

Our funding: As a faith-based organization, we do not receive tax payor dollars. We strive to raise half of our budget through our four annual fundraising events and the rest through business, individual, and church donations. Our **Golf Classic** has been instrumental in expanding our residential services! Please consider helping us impact generations by partnering with us in one of the best golf charity events our community has to offer, **Heart of Hope's Annual Golf Classic!** In addition to a great round of golf at the legendary Querbes Golf Club, participants will enjoy an extravaganza of food, fun, and great gifts and prizes!

Please contact **Jodi Burns at (318) 925-4663** if you would like to sponsor or you can simply visit our website at **www.heartofhopela.org/events**
