Dear Friend and Sponsor,

We are SO ready to get on road! Last year's last minute cancellation was heartbreaking, necessary for everyone's safety. We were able to get everyone's SWAG bags to them within 2 weeks of the event.

Thank you for considering being a part of our 11 Annual Heart of Hope LifeCycle! Since this bicycle tour began, we have been humbled by its success. Since its founding year of 2011, LifeCycle over 2100 cyclists have supported our benefit ride! Your amazing Sponsor support has brought new friends who not only share an interest in pedaling but allow us the opportunity to share how we support teen moms and help them be the best moms they can be for their children.

**Enclosed are the sponsorship levels available, including their benefits!
Sponsorship levels can even be adapted to fit you and/or your business.**

Please consider helping us impact generations by partnering with us for this fun event. I would love to hear from you and answer any questions you may have regarding this packet. Thank you for your time and consideration!

Sincerely,

Jodi Burns
Executive Director

Heart of Hope is a faith-based maternity home and school for young women, ages 11 – 23, who are experiencing an unplanned pregnancy. We provide a safe haven where she can live while deciding what is best for her and her baby, and then continue on as a new single mom with her newborn. Focusing on their physical, emotional, educational, and spiritual needs, we offer young women an assortment of life- skill classes, individual counseling, private healthcare and continuing education in our onsite classroom through Louisiana's Department of Education.
