heart of **hope**  
a sanctuary for women

Thank you for considering sponsorship of our 15th Annual Heart of Hope LifeCycle. For 16 years, this ride has brought together a community committed to one mission: supporting teen moms with hope, stability, and the tools they need to thrive as mothers.

**Enclosed are the sponsorship levels available, including their benefits!**  
**Sponsorship levels can even be adapted to fit you and/or your business.**

LifeCycle is intentionally designed to promote physical health and wellness for cyclists, while their participation directly fuels our mission of supporting young mothers and their children. Inside this packet, you'll find the benefits associated with each sponsorship level—along with a glimpse of the exceptional cyclist experience your support helps make possible. All participants enjoy a premier swag bag, fully supported routes with sheriff-assisted intersections, stocked rest stops, and a hearty post-ride lunch featuring down-home sausage and grilled chicken. It's professionally run, thoughtfully supported, and genuinely fun for everyone involved.

I would love to hear from you and answer any questions you may have regarding this packet. Thank you for your time and consideration!

Sincerely,

Jodi Burns  
Executive Director

*Heart of Hope is a faith-based maternity home and school for young women, ages 11 – 20, who are experiencing an unplanned pregnancy. We provide a safe haven where she can live while deciding what is best for her and her baby and then continue on as a new single mom with her newborn. Focusing on their physical, emotional, educational, and spiritual needs, we offer young women an assortment of life- skill classes, individual counseling, private healthcare and continuing education in our onsite classroom through Louisiana's Department of Education.*
