Carolyn's Note's

Carolyn Hammond - President

He will Deliver!

It's so hard to believe that 2009 is quickly coming to an end. The last few months have been filled with activity. We had our Carnival in September, the Back In Swing Interactive Golf Clinic and Scramble in October and as November rolls around we are anticipating the completion of the renovations at Heart of Hope! It would be easy to become fearful as we find ourselves moving quickly toward our "Promise Land" of opening Heart of Hope. I am reminded of what Moses said to the people of Israel as the Egyptians were pressing down on them- "Do not fear! Stand by and see the salvation of the LORD which He will accomplish for you today!" The "Egyptians" pressing us are: finishing the building in a timely manner, passing inspections, hiring staff and training them, and raising consistent financial support to sustain this ministry.

God has delivered so much already through the hearts and hands of people He has provided thus far. Your faithfulness to the vision will be blessed. Now we are looking for those He has already set apart to fill the job openings. Working for Heart of Hope requires special people; those who have a heart for and an understanding of what we are going to provide for the girls who will live here. It is through them that "He will deliver to the needy who cry out, the afflicted who have no one to help" Psalm 72:12 This is the theme of our banquet this year. We know that He will deliver; we have seen Him doing so since 2005. If you believe He is calling you to work for Heart of Hope, please email me at carolynh@heartofhopeministry.com or call (318)925-4663 for information about employment opportunities.

Carolyn Hammond ~

building progress

Heart of Hope is going to be open before we know it! Over the past few weeks, much has been accomplished. The entire hwwome has been re-wired to meet local code, and all of the plumbing has been completely updated. The sheetrock was just recently finished, and we are currently in the process of having the walls taped, floated, and textured. The next step will be painting! We are currently still on schedule to be finished by early December. On another note, the renovation of the gymnasium is 95% complete. We have all new lighting, painting, flooring, as well as air conditioning! We also just finished having the gym floor sanded and resurfaced.

It is beautiful! It is so exciting to watch what God is accomplishing at Heart of Hope through His people!!

second annual heart of hope carnival

The "water" carnival this year certainly lived up to its name. The Second Annual Heart of Hope Carnival was held as planned and, although we had lots of rain, the kids that attended didn't seem to mind. Water slides, bounce houses, pony rides, face painting, hayride and train rides, dunking booth, car bash, and CC the Clown kept our spirits high. The Fire and Sheriff departments participated, as well as the many

sponsors that contributed to making the carnival a fun filled community event. Barbeque ribs, brisket, hamburgers, and smoked turkey legs provided by Roadside Barbeque were a hit with the adults and nobody left hungry. The concession stand was one of the busiest places all afternoon and the dedicated people that tirelessly helped make snowcones and nachos.... thank you, thank you, thank you! Last, but certainly not least was the cake walk that became the entertainment for the evening bringing in over \$1000.00 for Heart of Hope. A sincere and heartfelt thanks to all the sweet people that made cakes and organized and manned this great event. The grounds at Heart of Hope continue to be filled with sweet memories and lots of love and laughter. **We wait with anticipation, expecting God to continue to do great and mighty things in the years to come.**

Son Shine & Sun Shine For Back In Swing

Pete Lockwood integrating key points from the first two discussions into the golf swing. Following the didactic portion, golfers moved to 3 breakout areas for:

1. Core Strengthening and Stretching
2. Biomechanics Analysis
3. Interactive Clinic on the Driving Range

97 golfers came out for Back in Swing, great weather, terrific food and wholesome fellowship. The scramble had many standard "game" holes (longest drive, closest to the pin) as well as some non-standard games. All reports are that everyone had more than enough food, the prizes were great, and that the tournament was really fun.

The First Annual Back in Swing Interactive Golf Clinic and Tournament was held at the Golf Club at Stonebridge as a fundraiser for Heart of Hope. For this ministry it is critically important that we stand in the Son light. For each activity we undertake, including fundraisers, the Board of Directors seeks to do God's will and give the glory and praise to His Son, Jesus Christ. Based on the tremendous success of the Back in Swing event, we believe the Son was shining on us.

After what seemed like 40 days and 40 nights of rain, on October 16th the clouds parted and the sun shone on Back in Swing: Interactive Golf Clinic and Tournament. Back in Swing begins with a morning seminar presented by Dr. William Whyte on spinal injuries, their risk factors, and how to prevent them. Physical Therapist, Mike Jones, follows and covers Biomechanics of the Golf Swing. The seminar concludes with PGA pro

Our thanks to the golfers, sponsors, volunteers, vendors, and the staff at the Golf Club at StoneBridge for the event. Back in Swing-a benefit for Heart of Hope- raised over \$27,700 which will be used to meet the physical, spiritual, and educational needs of the Heart of Hope residents. Make plans now to participate in the next year's event in October 2010.
