Words from the *Heart*

Isn't She Beautiful?

She only weighs a few ounces but it took several months and six signatures before the Public Works Department delivered her to our property this summer. With so much activity going on around here, our neighbors stay quite entertained. We would like to thank Mr. Jim Smith, Commissioner of Caddo Parish, who helped with our effort of tying into the city's water line. Once this was completed, Joey French, Advisory Board member and owner of French Engineering, took on the task of carving lovely ditches around the property and behind the gym and putting in the most beautiful blue PVC pipe we have ever seen. Their men worked rain or shine and within two weeks we were singing God's praise for a job well done. We must also thank Parker Perot and Perot Plumbing for making Heart of Hope a priority! With all the indoor plumbing installed, it was all we could do to contain ourselves. Actually, a few nights ago, our neighbors were wondering what the loud noise was coming from our direction. In one accord, the board members christened the home with a resounding flush as each manned a commode. This important milestone has set all the inspections in motion. Our city's Fire Marshall, Ronnie Sellers, will be invited out to make sure Heart of Hope is compliant and ready for occupancy.

If you have not had a chance to tour the Home, please do not wait one more second! This is your last chance to tour before we open. We are offering the following dates and times:

Tuesday, October 12th 10 AM – 11:30 AM
Wednesday, October 13th 10 AM – 11:30 AM
Thursday, October 14th 5 PM – 6:30 PM
Friday, October 15th 10 AM – 11:30 AM

We look forward to seeing you!

P.S. We want to give a Hearty shout out to National Mail It and Buckelew's Food Service Equipment Co. for your continued support!

Fall is Bringing Special Friends!

the 94 degree temperature acutally feels *good*. Now, a northerner would never understand that declaration! Cooler weather means Fall is on the way, and this year it's bringing some pretty special friends!

Heart of Hope's Houseparents have been hired and should be moving in any day now! Taylor and Diane Mayes from Shreveport, Louisiana will be the loving parents for those girls who call Heart of Hope their home. The houseparents' role in the home is crucial as they surround these girls with the unconditional love of the Father, creating an atmosphere of acceptance and forgiveness. In this way, our young ladies will have room to mature and make better decisions for themselves and their unborn child.

Heart of Hope is also thrilled to welcome our new Social Worker, Mrs. Kay Asher,

LCSW. With everything that Kay brings in terms of over 20 years experience, she also has a heart full of compassion and wisdom. In addition to counseling, Kay will be connecting our girls with community resources as well as creating an aftercare plan for when they leave Heart of Hope.

Now with everyone in place, we are submitting our application for State License. Once we are licensed we will be accepting applications for our girls.

With each step we take, we can feel you taking it with us. *"All of you together are Christ's body, and each of you is a part of it."* (1 Corinthians 12:27)

Thank you for your perseverance in prayer and support as the body of Christ at Heart of Hope!

TALK ABOUT FUN IN THE SUN!

Our 3rd Annual COMMUNITY CARNIVAL

was held on Saturday, September 11th and to our great joy, many of you and your children decided to share in the festivities! Thanks to Du-vall's Amusement Rentals, all of the kids beat the heat by taking turns screaming down the huge water slides. There were quite a few adults who seriously thought about taking a turn, but someone had to supervise! Once again, our Bake Sale really brought in the "goods". Many did not want to take a chance on winning a cake in the Cake Walk so they just bought their favorite dessert. There are so many volunteers responsible for making our Carnival Fundraiser a success. We thank all of you for sharing your lives with us for the sake of the girls' lives that will be living at Heart of Hope. Please visit our website for more pictures.

Heart of Hope's Own

Carolyn Hammond, Board President of Heart of Hope,

Senator David Vitter and Representative John Fleming have selected our own Carolyn Hammond, Board President, to be the recipient of the 2010 Angel in Adoption for her outstanding work with adoption issues. The Congressional Coalition of Adoption Institute (CCAI) orchestrates the Angels in Adoption program. The announcement of her award will be made at a ceremony in Washington, DC, October 6, 2010. Carolyn is being honored for her ten years of volunteer work at the Ark-La-Tex Crisis Pregnancy Center as an Adoption Specialist. Her experience, along with another volunteer, created a vision for Heart of Hope, a Sanctuary for Women, over five years ago.

Hands of Hope ~Spotlight~

Allison
Valcho

Allison is the chairman of our volunteer board- **Hands of Hope**. She is married to George Valcho and they live in Benton with their two sons, Matthew and Daniel. She also volunteers at the Crisis Pregnancy Center. Besides being a super volunteer, mother, wife and servant, Allison has her own decorating business-"Oui redo". When you walk the halls of Heart of Hope, you will see Allison's touch in every room. She and her team worked countless hours to transform a school into a warm and inviting home. When Allison takes on a project she pours all her gifts and talents into it, truly giving her best to the Master. Her heart is tender and can often be found "rejoicing with those who are happy and weeping with those who are sad." (Romans 12:15) We are blessed to have her serving alongside of us!

~Carolyn Hammond

Your Donation Can Really Make the Difference in the Lives of These Young Women and their Unborn Babies. There are Many Ways to Support this Life-Giving Ministry of Heart of Hope.

Monthly Gift: By pledging a monthly gift, you help us reduce administrative costs and provide us with steady financial support for our home operations.
